

Safety Remains Our Top Priority as We **Move Forward Together**

Kids Zone

REOPENING MONDAY, FEBRUARY 1

We're reopening our child care area with activities that teach the benefits of exercise, inspire creativity and enhance social and developmental skills. These include youth fitness, arts and crafts and active games.

We have enhanced our safety and cleaning protocols to mitigate the spread of germs. Deep cleaning will be performed twice per day at the end of each shift. Children will be screened before entry. We ask that children are healthy with no symptoms such as fever, cough or sore throat for at least 48 hours before staying in the Kids Zone.

Attendance is by reservation only until further notice.

- All adults and children ages 8 and older are required to wear a face covering over their nose and mouth to maximize effectiveness.
- If parents want children younger than 8 years old to wear masks, we can help verify it is worn at all times.
- One-hour time slots will be available for booking (with a maximum of 2 hours per day/per child).
- The reservation/attendance maximum is 10 children.

Call us to make your reservation today.
Reservations can be made up to 48 hours in advance.
